

SauBar

• WELCOME TO THE SAUBAR •

*Here in the heart of the Koblenz old town you have come
to a place of cosiness and hospitality.*

*SauBar stands for freshness, quality and local products.
We serve German home-style dishes which are unpretentious
but as delicious as grandma's cooking.*

*As the name „SauBar“ suggests, pork dishes play a large role
in our cuisine, nevertheless, you will also find chicken, beef
and vegetarian dishes.*
